

Exodus General Pest Service

Detect and eliminate Ants, Cockroaches, Silverfish, Webbing Spiders

When you arrange for an Exodus General Pest Service, you can rest assured our qualified technicians will undertake a thorough inspection of your home or business, treating it for a variety of uninvited pests. Our reliable technicians are prompt, courteous and respectful of you and your property, explaining in detail what you can expect from an Exodus representative.

Our General Pest Service includes the detection and treatment of Ants, Cockroaches, Silverfish and Webbing Spiders (including Redbacks). We can also treat Rodents*, Fleas*, Wasps, Possums, Birds, Bed Bugs, Carpet Moth and Lice.

*See 'Other Pests' below.

All chemicals, including gels, baits, dust and sprays are Health Approved, odourless and safe, protecting not only you but your pets and gardens as well. This means there is no need to empty cupboards, move furniture, or leave your property when treatment is underway.

An Exodus General Pest Service takes between 1½ and 2 hours. Referees are available on request.

Upon entry to your property, Exodus will:

- Sit down and explain our General Pest Service, including what we will do, what we are looking for and what chemicals/gels/baits and spray we may use.
- Inspect and treat interior and exterior walls, roof void, subfloors, garage, garden shed, pergola, child play areas, clothesline, bins, outdoor furniture, BBQs and pool areas.
- Gel sensitive areas such as kitchen cupboards, microwave, dishwasher and bathrooms for Cockroaches.
- Residual spray skirting boards and spot treat cornices for Cockroaches, Ants, Spiders and Silverfish.
- Insecticidal dust roof void and wall cavities for Cockroaches, Silverfish, Ants and Webbing Spiders (major breeding area).
- Residual external spray for Ants, Cockroaches, Webbing Spiders, including weep holes, window and door ledges and framing, under eaves, around downpipes and around outside equipment, paying particular attention to Redback harbourage areas.
- Locate and treat any ant nests.

Don't forget to enquire about our Exodus 12 month warranty!

The cost of an Exodus General Pest Inspection is \$240 (discounted if combined with a Termite Inspection). This is based on a 3/4 bedroom, 2 bathroom, double garage home on a standard size block.
